During a ministry opportunity at Moose Lake Pentecostal camp this summer, a high school girl gave her life to Jesus for the first time. She admitted that her sister had passed away a few years ago and since then she had lost all hope. She said for the first time she was able to sense light in the darkness that had been invading her thoughts. Speaking with a local pastor, both her and her mother had started to attend the church and were connecting with their community.”

Since our inception in 2008, we have been called to inspire and equip people to live Spirit-empowered lives every day. For 15 years, our primary method was bringing churches together once a month for Resurgence Gatherings. In 2024, we sensed God calling us to a deeper focus on raising and releasing the leader in every chair. In obedience to this call, we launched a deliberate strategy to empower leaders, which included the first stage of this plan: **Empower Nights, Citywide Worship Nights, Reach Edmonton**, and a renewed emphasis on monthly prayer gatherings: **Gather & Pray**.

Empower Nights

Empower Nights - **launched this fall!** - are once-a-month gatherings designed to equip individuals on how to use their God-given gifts to serve, share one's faith, and live out Kingdom principles in everyday life. Through biblical teaching, encounters with the Holy Spirit, and supportive community, participants are equipped to grow as Spirit-empowered leaders. Take home resources are administered to allow individuals to continue to strengthen and deepen their relationship with Jesus and the leader he has called them to be.

Spheres of influence of attendees: Law, Healthcare, Engineering, Media, Business, Commerce, Education, Ministry and many more.

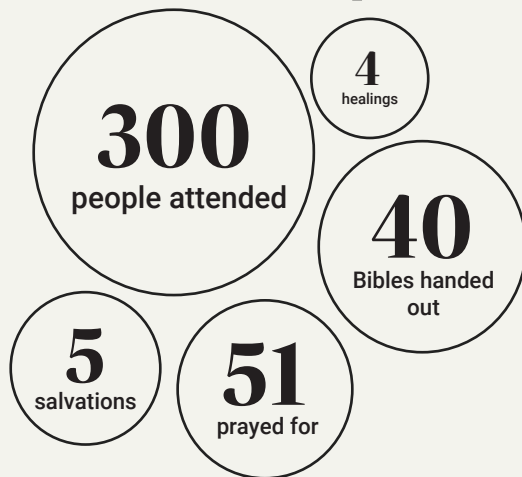

Edmonton: REACH

In 2024, Resurgence launched a new outreach initiative called “Reach” to serve Edmonton’s inner city with love and hope. Led by Edmonton Lead Team member Jeremy Lehman, this initiative focuses on creating meaningful connections by praying with individuals, sharing the gospel, offering compassionate care, and distributing socks, food, and Bibles.

Edmonton Reach in the First 4 Months:

September

October

In August, while doing an outreach in downtown Edmonton, a remarkable moment unfolded. A lady approached us seeking prayer. In that moment, she accepted Christ and also received a miraculous healing in her arm, which had been injured in a recent fall. As we prayed, she experienced the tangible love of God, and her arm was completely restored. It was a powerful testament to God's love, goodness, and presence.

Canada

Since 1866, when Sir Samuel Leonard Tilley proposed the verse from Psalm 72:8, “He shall have dominion also from sea to sea, and from the river unto the ends of the earth,” Canada’s foundation as a dominion was deeply rooted in the Word of God. Resurgence wholeheartedly believes that Canada shall be saved. This unwavering passion drives us to journey across the nation, investing in leaders, churches, and movements.

The audience is seated at tables in a dimly lit room with warm lighting. The text "Resurgence Vancouver" is overlaid in large white letters.

Resurgence Vancouver

In October, we hosted a Resurgence Gathering in downtown Vancouver, BC, in partnership with Untitled Church. We brought together people from diverse churches and denominations to encounter God. This night exemplified Resurgence's mission to inspire and empower individuals through Spirit-filled experiences while sowing into the future of their impact across Canada and beyond.

Resurgence hosted Preachers Canada, a three-day masterclass in Vancouver led by Nathan Edwardson and Travis Holownia. Designed for pastors and ministry leaders, this event focused on growing their preaching abilities by encountering the story of Jesus, discovering their unique voice, and honing their craft. It was one of the most impactful events Resurgence has ever hosted.

"I felt deeply invited and loved throughout the conference. The empowerment, support, and leadership helped me find my voice and break through past discouragement as a woman in ministry. I left knowing my voice matters and carries the power to impact culture. The frameworks taught deepened my love for the brilliance of God's Word, and the mix of workshops, talks, and ministry time kept me engaged and inspired every moment!"

- Ebony

"Attending Preachers Canada was such a blessing! I feel more confident in studying and unveiling the essence of the Word and have gained tools to craft and deepen messages. It was inspiring to be surrounded by young people, and I'm encouraged to pray for them—and myself—to stand firm and not lose our first love. This experience will shape both my personal study and how I share when the opportunity arises."

- Kari

Global

Resurgence is responding to a global call to see every person on earth encounter Jesus Christ through the power of the Holy Spirit by 2033, marking 2,000 years since His resurrection. Travis Holownia plays a key role in advancing this vision through his appointments on international committees such as the Empowered21 Canadian Cabinet, the Global Evangelist Alliance (GEA) Executive Committee, and the Pentecostal Charismatic Churches of North America (PCCNA) Evangelism Commission.

Resurgence goes to El Salvador

In 2024, Resurgence partnered with ministries in the Global Evangelist Alliance to host a transformative Pastors Conference in El Salvador. Over three days, 4,400+ pastors were trained and equipped, catalyzing a nationwide evangelistic effort. Following the conference, ministries went door to door, sharing the good news of Jesus with millions. The impact was staggering:

38 denominations and pastor associations involved

6,590 churches participating

2,190,580 people hearing the gospel

227,898 decisions for Jesus

02.

Become a Monthly Partner

To sustain our growing staff at Resurgence, we are seeking new monthly partners with a collective goal of \$2000 in additional monthly support.

03.

Help Us Reach \$65,000 Before Year-End

To achieve all we feel called to in 2025 (see page 18) we are aiming to raise \$65,000 by year end. This funding will be critical to support our expanding initiatives and equip leaders across Canada and internationally.

What the money will be used for:

46%

for evangelism and to support missions targeting Canada and global outreaches. I.e. Edmonton Reach initiatives, Arctic Missions, and international projects in partnership with GEA. 2025 will be a year of increased going.

23%

for Empower leadership initiatives. Empower nights, development of a leadership accelerator program, and the development of a program specific for the equipping of evangelists. We are identifying, gathering, and finding ways to develop evangelists in Canada.

31%

to strengthen our existing infrastructure and ministry efforts, support our team and increase our media initiatives.
