From Canada to the Nations: Unprecedented Doors Are Opening...

When Resurgence began in 2008, it was birthed out of a simple desire: to see people come alive in the presence of God and carry that flame into their everyday lives. Over the years, that call has not changed. Our mission remains clear—**to Reach People, Revive the Church, and Release Leaders**—all rooted in our values of being Spirit-Led, Whole, Relational, Fruitful, and Kingdom-Minded. We cling to the call of Isaiah 60:1—*“Arise, shine, for your light has come, and the glory of the Lord rises upon you.”* This has been our heartbeat from the beginning, and this year we have watched that light rise on leaders, churches, and communities across Canada and the nations.

This past year, we have seen those values come to life in incredible ways—with more people coming to Jesus in 2025 than in any other year by a long shot. From Empower Weekends and leadership gatherings that equipped and refreshed leaders, to city-wide outreaches and intimate house prayer nights, to international ministry in places like Poland, Mexico, India, and Thailand—God is moving powerfully. Across Canada, from Edmonton to the Far North, we have strengthened pastors, equipped leaders, and witnessed lives transformed. Every encounter—whether through worship, teaching, or prayer—has reminded us that revival is happening when His Spirit is invited to lead.

As we look ahead, our hearts are stirred by new doors opening for 2026. We are preparing to take the gospel to Suphan Buri, Thailand, in a 5,000-seat basketball arena—an unprecedented opportunity to share Jesus through evangelism, healing, and miracles. At home, we are continuing to champion the rise of the evangelist in Canada, expand our Empower Curriculum, and return to northern communities to strengthen churches and reach the unreached.

I am filled with gratitude for every person who has prayed, given, served, and stood with us. This movement is not built by one person—it's a family, a community of faith-filled people believing for revival together. Your partnership enables us to step into unreached places, provide tangible hope, and release leaders who will carry revival into their homes, workplaces, and neighborhoods.

As you read through this report, I invite you to celebrate with us—and to pray. Pray for Canada. Pray for communities across the globe. Pray for leaders to be strengthened, churches to be revived, and hearts to be awakened to the power and presence of the Holy Spirit. Together, let's continue to arise and believe for a true resurgence in our day. With deep gratitude and expectation,

Travis Holownia

Executive Director & Visionary Founder
Resurgence Initiatives

Revival Starts at Home

In Edmonton, Resurgence continues to ignite hearts and equip leaders through gatherings that cultivate encounter, community, and spiritual growth. From large public events like Worship in the Park and Altars—our city-wide worship expression that unites churches across the region—to leadership-focused Empower Nights, and

120 Nights, intimate prayer gatherings hosted in homes, God has been moving powerfully. Across these initiatives, we've celebrated first-time decisions for Jesus, witnessed lives transformed, and seen growing unity among churches and leaders throughout our city.

- Serving Pastors

Serving Pastors in Edmonton

Daunavan Buyer
Associate Director, Edmonton
Resurgence Initiatives

In addition to serving Churches in Edmonton on an itinerant basis, we feel deeply called to care for, connect, and catalyze pastors in the Edmonton region.

Resurgence continues to facilitate a gathering of a group of senior pastors and leaders every month for prayer, connection, and worship. These gatherings have already borne the fruit of unity, collaboration (both relational and shared events), and, we believe, begun to shift the atmosphere in our city for a move of God.

In May, we gathered 70 pastors for a Pastors and leaders lunch. We wanted to bless the pastors in our city, pray for them, thank them for their work, and celebrate what God is doing in Edmonton. In addition to this, we shared the heart of Resurgence with them and were able to build bridges with many different churches.

Worship in the Park (Summer events)

This summer, nearly 200 people gathered at two outdoor Worship in the Park events for an evening of worship, community, and encounter. We celebrated as seven people gave their lives to Jesus for the first time, and many others were deeply impacted by His presence. Testimonies like Emily's remind us that God is moving powerfully in public spaces across our city.

Testimony

"For several months I had been experiencing ongoing health challenges. Every morning I woke up extremely tired, and over time it progressed into other symptoms. At its worst, I felt constant dizziness, like I was rocking on a boat. It became hard to exercise or even walk more than a kilometre without stopping to rest. One night at a Resurgence Worship in the Park event on July 16th, 2025, I thought about asking for prayer. I said to the Lord in my heart, 'If you desire to heal me tonight, let someone come and pray for me.' A few minutes later, three girls from the Resurgence leadership team came over and said they wanted to pray. As we prayed, one of them said the word 'surrender.' In that moment, I knew God was asking me to let go of

fear. As soon as I surrendered, I lost strength in my body, fell into one of the girls' arms, and began to weep. I hadn't realized how much fear and pain I had been holding onto. That night, the dizziness completely left me. From that moment on, every symptom began to fade and reverse. The next day, I went to the pool and swam the distance I couldn't even walk the day before. The following day, I went for a run — no dizziness, complete freedom."

- Emily Clark

In September, we launched **Altars**, a new citywide worship expression in partnership with Round Room Ministries. At our very first gathering, 12 people gave their lives to Jesus, and countless others encountered God’s presence in a powerful way. Altars has become a place where believers from multiple denominations, churches, and ministries come together with one purpose—to glorify Jesus and seek His face for our city.

Our **120 Nights** gatherings take place in homes across Edmonton, creating a unique rhythm of worship, prayer, and community. These intimate evenings provide space for people to connect deeply with God and one another, intercede for our city, and seek spiritual renewal together. Through these nights, we’ve seen growing unity among churches and a rising hunger for God’s presence throughout Edmonton.

REACH Edmonton

Through our **REACH initiative**, we are stepping into Edmonton’s inner city to meet both practical and spiritual needs. By building genuine connections, praying with individuals, and providing compassionate care, we offer essentials like food, socks, and Bibles—all while sharing the hope of the gospel. REACH is about showing God’s love in tangible ways and walking alongside our neighbors in the city.

Empower Nights

Throughout 2024–2025, we hosted 10 Empower Nights that are designed to strengthen and equip leaders to live Spirit-empowered lives. Over 200 individual leaders were trained and encouraged, discovering new confidence in their callings. Through inspiring teaching, encounters with the Holy Spirit, and a strong community, participants are stepping into leadership in their workplaces, neighborhoods, and ministries. Practical tools and resources help them carry these lessons beyond the evening, strengthening their faith and influence in every area of life.

Our Participants represent a wide range of spheres: law, healthcare, engineering, media, business, education, ministry, and more—demonstrating the reach of the Kingdom impact across the city. Through the Empower nights, people have given their lives to Jesus (one person gave her life to Jesus at our final event), young leaders have grown in confidence and boldness in their callings, and deep friendships were formed.

Empower Weekend November 14–15, 2025

Over two transformative days, participants gathered for Empower Weekend, a catalytic experience designed to awaken leaders in Christ and equip them to carry revival into their communities. Across five sessions led by five different speakers and worship leaders from churches around Edmonton, attendees were encouraged, challenged, and released to live fully alive in Jesus.

The weekend blended powerful worship, biblical teaching, and hands-on equipping, creating space for both personal encounter with God and practical

leadership growth. Participants explored what it means to lead as whole, Spirit-led, relational, kingdom-minded, and fruitful followers of Christ. Conversations and moments of prayer throughout the weekend fostered deep connection, encouragement, and tangible next steps for impact in churches, workplaces, and neighborhoods.

Empower Weekend reminded everyone present that there is a leader in every chair—and empowered leaders are making a Kingdom difference in Edmonton and beyond.

“

“God broke multiple lies off of my life Friday night when I got home. I had a deep encounter with Jesus!”

“

“I have felt the presence of the Holy Spirit. God has talked to me through all teachings and confirmed His call to serve Him. God has also taken away the pain I had been feeling for many years. Praise the Lord!”

“

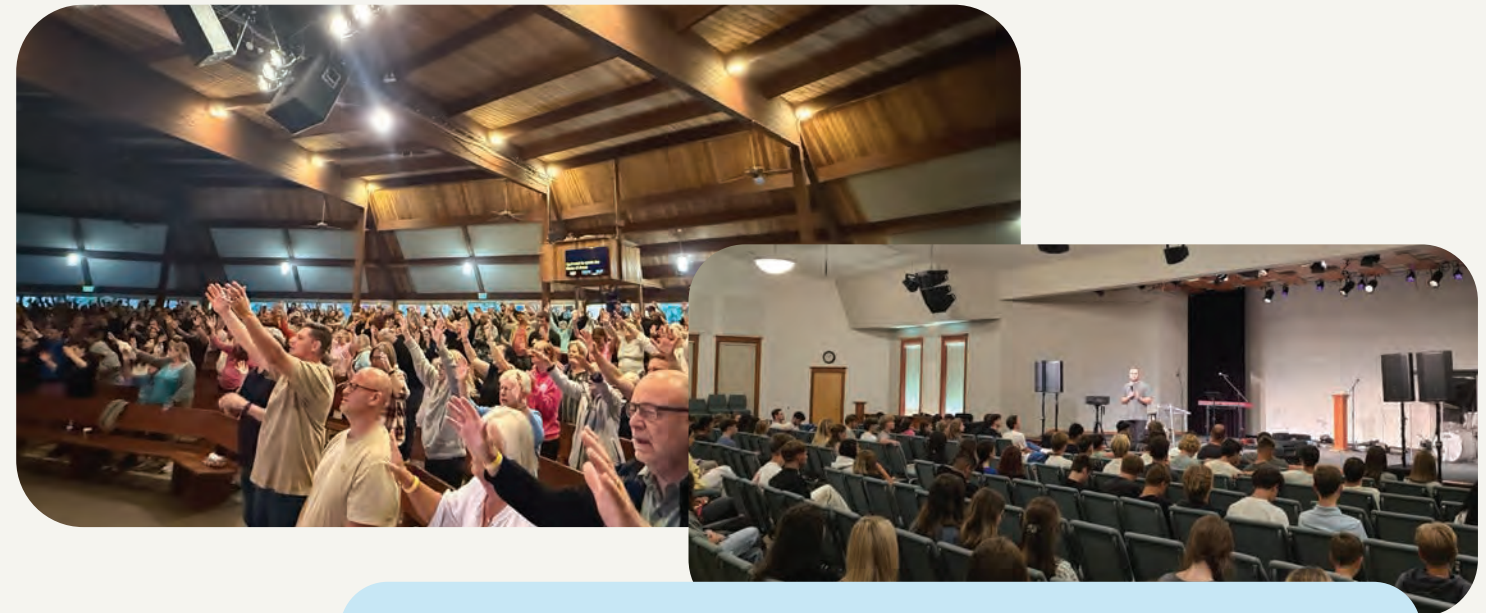

“Great teaching, preaching, worship and such authentic community and conversation... such a great wknd”

This year, God opened more doors across Canada than ever before—and we stepped through them.

From coast to coast—and into the Far North—Resurgence carries a conviction that Canada shall be saved. Our mandate to reach people, revive churches, and release leaders compels us to follow Jesus’ example—going from the largest crowds to the most remote places. Just as He met people on hillsides, in villages, and by the sea, we go where the Spirit leads: into churches, camps, conferences, and even the most isolated Arctic communities. Through itinerant ministry, we strengthen pastors, equip leaders, and create spaces for people to encounter the presence and power of God. From urban centers to northern outposts, we are witnessing hearts awakened, churches revived, and leaders released as Jesus continues to move across our nation from sea to sea.

The Summer of Ministry at Camps...

Lakeshore Pentecostal Family Camp, Coburg, Ontario
Generation 4 Truth Youth Camp, Salem, Oregon
Sunnyside Pentecostal Family Camp, Sylvan Lake, Alberta
Hope Mission Brightwood Youth Ranch, Evansburg, Alberta
Okanagan Family Camp, Salmon Arm, British Columbia
Braeside Pentecostal Camp Holy Spirit Weekend, Paris, Ontario

“At Family Camp this summer, during the session on church hurt, God used the message to uncover something I didn’t realize I was carrying. I had been hurt in the past and thought I had moved on, but really I had just buried it. Your message brought it to the surface and helped me begin the process of true healing. I still have a journey ahead, but I’m grateful—thank you for your ministry.”
- David

“I just want to encourage you. The teaching you brought was so excellent. I can see that you have the ability to minister in the role of an evangelist, but you also have a teaching gift which I believe is so needed, especially for the younger generation. Your ministry was very balanced, it was clear, credible & encouraging. You spoke with wisdom and addressed issues of the past tactfully. I did not get a chance to say hello before you left, but I felt much hope in my heart for our future knowing God is raising up people like yourself.”
Colin - Retired Lead Pastor

The Rise of the Evangelist in Canada

Across Canada, Resurgence has been part of witnessing the rise of the evangelist once again. The evangelist is not an extinct species—it's a calling being reawakened in this nation. This year, we helped launch the Global Evangelist Alliance Canada, gathering evangelists from coast to coast through four online calls, with over 80 participants on one call alone and more than 180 people engaging overall. Travis shared at the Advance Evangelist Summit in Calgary and spoke at several denominational meetings about the need to champion the evangelist in our generation. Something is stirring—God is raising up voices of courage and conviction across Canada. It's a new day for evangelism in our nation.

Sub-Arctic & Northern Ministry Trips – There is Hope

This year, we made **two key trips** into the Sub-Arctic and Northern regions. **First**, we participated in the **Northern Leaders Summit**, where **80+ pastors and leaders** gathered to dream about the future of the North. Travis spoke twice, calling forth the **PIONEER spirit** that once ignited these communities and challenging leaders to believe again for revival.

Second, we returned for our **“There Is Hope” tour**—traveling to Yellowknife, Hay River, Fort Resolution, and K’atl’odeeche First Nation. Through worship, stories, prayer, and ministry, we saw emotional and physical healing, strengthened local leaders, met tangible needs, and celebrated many giving their lives to Jesus.

Each moment in the North reflects our heartbeat: to step into communities with compassion, bring restoration, and witness hope rise again.

“Fort Resolution is a community where the church has been shut down for 3–4 years and they’ve been crying out for somebody to come help... We’ve seen 8 people give their lives to the Lord. We are seeing people walk away with a relationship with God, and we are so incredibly grateful. We are so grateful for this ministry and their willingness to partner with the North and go into really dark places. The stories we are hearing here are full of grief and loss at an unimaginable level in such a small community, and to see the team come be a part of that is what we are just so very grateful for. We were able to make a declaration that this community is not lost to the power of the enemy and the plans he has to destroy it. The power of the Holy Spirit was here tonight and has put the enemy on notice that he does not have free reign in this place. We are noticing a community that’s getting excited, that’s asking for discipleship, that’s asking for more of this.” -

- Kevin Wellington, Business Owner and Lay Church Leader in Hay River

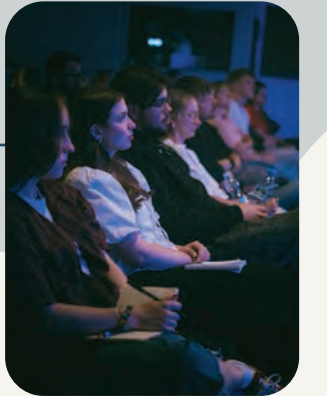

Resurgence to the Nations...

In 2025, God opened significant doors globally as we ministered in **Finland, Mexico, Poland, the United States, India, and Thailand**—strengthening leaders, encouraging churches, and sharing the gospel. Some of this work focused on meeting with evangelists, connecting movements, and partnering with Empowered21 and the Global Evangelist Alliance to champion evangelism around the world. Everywhere we went, we saw a fresh hunger for the Holy Spirit and a renewed courage rising in emerging leaders. God is opening doors in the nations, and we are faithfully walking through each one.

Poland

This summer, Travis and Jessica had the privilege of ministering to just under 200 young pastors and leaders at a camp outside Warsaw, Poland. Throughout the week, God did a deep and powerful work in hearts—restoring vision, renewing passion, and calling a new generation to lead with faith and courage. The future is bright for the Polish church, and it was an honor to come alongside these emerging leaders as they rise to shape the next move of God in their nation.

"I just want to thank you for being here this year. There was something truly special about you and Jessica. You were both so humble and down-to-earth, yet you ministered so powerfully in the Holy Spirit to me and to many others. I loved how you took part in the conference—not just preaching, but also listening to the other speakers and treating them with such respect. You never acted like you were "above" anyone just because you came from Canada, and that meant a lot. Personally, I'm deeply grateful for your ministry. Before the conference, I was in a really difficult place, but during prayer after your first message, I experienced a fresh encounter with God. I realized how much I had missed Him—and that He's not done with me yet. I left the conference feeling encouraged, renewed, and equipped. Thank you also for sharing your testimony—it's such a powerful story, and I know it carries impact far beyond what you can see. I'm praying that God continues to guide your steps and that He lets you see the fruit of your faithfulness in people like me. I also love your podcast and will definitely share it with friends!"

- Agnieszka Rozbicka, Young Leader in Poland

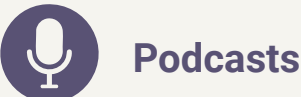

Our Impact Through Media

In 2025, Resurgence continued to expand its voice beyond physical gatherings by investing intentionally in media and online engagement. Through the Spirit-Empowered Leader Podcast, social media, and digital storytelling, we are equipping leaders and reaching audiences across Canada and around the world.

This year, we have focused on creating high-quality content that inspires, teaches, and amplifies the message of revival. By strengthening our media team and increasing our online presence, Resurgence is stewarding technology as a tool for transformation—taking the message of Jesus further than ever before.

Experiencing the Harvest Together

Where God is calling Resurgence in 2026

This year, we witnessed **more people come to Jesus than in any year of Resurgence's history.**

We watched **whole communities in the Arctic** reopen to the gospel.

We stood with **young leaders in Poland** as God restored their vision.

We went to **more places and more nations than ever before.**

We saw **hundreds trained, healed, and empowered.**

This is the harvest we are experiencing together.

But behind every transformed life is someone like **you**—someone who prayed, gave, and believed.

And right now, the doors opening for 2026 are larger than anything we've ever stepped into.

2026

- Developing next-gen leaders
- Expanding media to reach Gen Z
- Serving churches & conferences
- Missions to Arctic Canada
- Thailand gospel outreach
- Raising evangelists
- Sending mission teams
- Prayer + fasting movement
- Evangelism training
- Empowered21 + GEA partnerships

**We need your help.
We need your faith.
We need your partnership.**

Together, we can continue to experience the harvest God is releasing across Canada and the nations.

We Did Something Crazy... We Rented a Basketball Arena in Thailand

A door opened in Southeast Asia—and we walked through it.

Thailand is one of the most **unreached, unchurched regions** in the world. In Suphan Buri—a province of nearly a million people—there are fewer than **20 churches**. Many will live their whole lives without ever hearing the name of Jesus.

Just like the early believers who said,
“**God opened a door of faith...**” — Acts 14:27
we sensed the Holy Spirit opening a door—and we stepped through it.

We rented a **5,000-seat basketball arena** for **March 20-21, 2026** for a two-day gospel outreach filled with evangelism, healing, and miracles. **This is crazy!**

A Full Ministry Strategy:

- Pastors & Leaders Pre-Conference to strengthen and equip Thai church leaders (December 2025)
- Missions Team serving the community, praying for the sick, and supporting local ministries
- A Comprehensive Plan to help local churches disciple new believers and grow beyond the event partnered with major movements across Thailand
- Arena Outreach reaching thousands with the gospel for the first time

Why this matters:

- Less than 1% Christian
- 850,000 people with 1500 believers
- 20 churches in the region
- About 1 church per 30,000+ people
- Local leaders are asking for help
- A rare moment of openness in Thailand

Total Cost: Estimated **\$80,000**

A great door has opened—and we believe many will encounter Jesus for the first time.

We're stepping through it. We want you with us.

We're inviting you to join us in one of three ways:

01.

Commit to Weekly Prayer

We are seeking 120 individuals to pray for Resurgence each week. Prayer fuels everything we do — from ministry initiatives to outreach and leadership development. Scan the QR code to receive weekly SMS prayer prompts, tailored to our ministry needs, and join us in standing in the gap for the work God is doing.

02.

Become a Monthly Partner

Every new partner brings us closer to expanding evangelism, strengthening media, and equipping leaders across Canada and internationally, in order to do this we are seeking an additional \$1,500 in monthly support.

03.

Help Us Reach \$85,000 Before Year-End

We are pressing toward our \$85,000 goal to fully fund all God has called us to step into for 2026. Reaching this milestone will propel our mission into the Arctic, fuel the Thailand basketball-arena gospel outreach, strengthen our media and discipleship efforts, and equip the next generation of leaders across Canada. Every gift moves us closer to seeing lives transformed and the harvest realized—both in the most remote Northern communities and across Southeast Asia—through Resurgence.”

Goals for Before End of 2025

\$85,000
