## Who Are We?

Founded in 2008, Resurgence Initiatives exists to reach people, revive churches, and release leaders.

Resurgence is a catalytic Christian movement committed to seeing people experience the power and presence of the Holy Spirit and step into their calling to influence their generation. Our mandate is simple but powerful: Reach. Revive. Release.

- Reach people with the Gospel of Jesus Christ.
- Revive churches through the power and presence of the Holy Spirit.
- Release leaders to influence their communities and the nations.

Resurgence works interdenominationally and intergenerationally across Canada and internationally through leadership development, gatherings, missions initiatives, and media. The heartbeat of the movement echoes the vision of Ezekiel 37— to see a rising again of our nation and beyond.

Our culture is rooted in unity, honour, prayer, and mission, believing that God raises leaders who will serve the Church and advance the Kingdom in every sphere of society.

The mandate of Resurgence is rooted firmly in Jesus Christ and centered around reaching people in a way that is... releasing leaders who are... and reviving churches so they are...

- Whole - healed & transformed by God
- Relational - connected as family
- Fruitful - intentional about our everyday actions
- Spirit-led - empowered by Holy Spirit
- Kingdom-minded United as an expression of God's Kingdom

Resurgence is based in Edmonton, Alberta, where our team operates from a ministry office while serving churches and leaders across Canada and internationally.

“Vocation is the place where our deep gladness meets the world's deep need.” — Frederick Buechner

## Position Overview

The **Associate Director of Ministry Development** serves alongside the Executive Director to strengthen, expand, and steward the ministry of Resurgence Initiatives.

This role exists to **build the ministry** — developing leaders, strengthening partnerships, coordinating ministry initiatives, and helping implement the vision and strategy of Resurgence.

The Associate Director helps translate vision into action by building systems, mobilizing people, and ensuring key initiatives move forward effectively. This leader works closely with staff, volunteers, churches, and partners to expand the reach and impact of Resurgence.

We are at a crucial moment as an organization, where incredible missions opportunities locally but internationally have opened up. The role will help develop the global call on Resurgence. That involves working with local pastors, developing teams to go, and organizing large scale events.

This role requires someone who carries both **a ministry heart and an entrepreneurial spirit**, able to lead teams, cultivate relationships, and develop new opportunities for ministry growth.

This leader will help drive ministry growth through leadership development, strategic partnerships, events, missions mobilization, and organizational systems.

## Who You Are

If the following describes you, this may be the position for you:

- **You love serving vision.** You can see a God-given vision and help build the systems, teams, and momentum to make it happen.
- **You carry a heart for evangelism and revival.** You are passionate about seeing people come to Christ and churches renewed in the power and presence of the Holy Spirit.
- **You are driven and entrepreneurial.** You take initiative, work hard, and thrive in environments where you can build something that grows and multiplies.
- **You are a self-starter.** You do not need to be micromanaged; you move things forward with energy, creativity, and ownership.
- **People often say about you, “they get things done.”** You are able to turn ideas into action and follow through until the work is completed.
- **You sense a calling to apostolic leadership.** You carry a pioneering spirit to help build, strengthen, and expand Kingdom initiatives. We are a pioneering ministry.
- You have a **heart to develop young leaders.**
- You are a **team player** and want to develop and **be part of a ministry community/family that honors each other well.**
- **You have a national and global call on your life.** The call is for Canada and the nations. God is using Resurgence in both and we need someone who can help facilitate the open doors in both areas.
